## Permit Application Check List

(Includes: Building, Electrical, Mechanical, and Plumbing Permits)

### Application:

- Application must be completely filled out.
  - Scope of work must be clearly identified.
  - For Building Permit applications only:
    - If a residential project, three (3) sets of plans must be submitted.
    - If a commercial project, five (5) sets of Architecturally Sealed plans must be submitted.
- \*Note: Building projects for a roof, siding, door and window replacements do not require a set of plans for application submittal.*
- All contractors doing work in the Township are required to submit a copy of their Michigan State License, copy of their Driver's License, and proof of insurance.
- \*Note: It is not a State requirement to have liability insurance, but if provided, we must have a copy.*  
*\*Note: State Law does **not** require a copy of the contractor's license for a fence permit application.*

### Fees & Payment:

- Upon submittal, the following must be paid:
  1. Application Fee;
  2. Plan Review Fee;
  3. Contractor Registration Fee (if needed); and
  4. Administration Fee.

After review, the permit fee will be assessed and paid prior to issuance of permit. Individual *Mechanical, Plumbing and Electrical* permits must be paid in full at time of application.
- If the project involves a *Building Permit*, no additional permits (plumbing, electrical, mechanical) will be issued until the *Building Permit* has been reviewed, approved and issued.

### Incomplete Application:

Upon submittal, if all required items above are not provided, the application will not be accepted.

The list below consists of the most common required inspections --- all may not be required for every project and additional inspections not listed may be required. Please contact the Building Division with any questions regarding a specific project.
